DEL SOL • BREAKFAST BLEND

\$16/12 oz bag

Sometimes we need a little help waking up, and that's where Del Sol comes in. The combination of light and medium-roasted coffees creates a dynamic cup with the sweet, pronounced acidity you need to pry open our eyes and just enough full, smooth body to prop you up. Whether enjoyed with breakfast or while running out the door, you can always count on Del Sol to start your day with a little shine.

DARK SUMATRA • Fair Trade/Organic

\$16/12 oz bag

We've roasted our regular Sumatra Fair Trade/Organic Highlands at a darker level to bring out the earthy flavor and full body. This coffee is grown by small-scale farmers in the Gayo Highlands of Aceh Province, located on the northern tip of the Indonesian island of Sumatra. The producers, who belong to Fair Trade cooperatives, are dedicated to producing some of the best coffees in the region.

BLACK & TAN • RICH SWEET BLEND

\$16/12 oz bag

The black and tan has been a classic pub favorite for years. When a dark beer is poured over a lighter, brighter one, the result is a delicate balance of flavors. Our version embodies the same spirit, combining a rich, full-bodied dark roasted coffee with a sweet, clean, light roast in a blend that looks almost as good as it tastes.

INDIGO • HERITAGE BLEND

\$16/12 oz bag

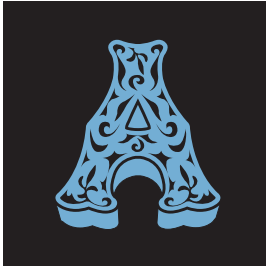

As the birthplace of coffee Ethiopia also is the ancestral home of the natural process, in which ripe coffee cherries are picked and dried without first removing the skin and pulp. This method imparts an intense fruitiness to the roasted coffee, and we've created Indigo to showcase the hallmark blueberry notes found in a natural Ethiopia. Featuring flavors of dark chocolate, cranberry, and baking spices, this blend is well-balanced, sweet, and juicy!

DECAF MEXICO KULAKTIK • Fair Trade/Organic **\$16/12 oz bag**

We are pleased to offer a water-processed decaf version of our popular Mexico Fair Trade/Organic Kulaktik. This comes from the municipality of Tenejapa in the southern state of Chiapas and features notes of molasses, baking chocolate, and plums.

COCOA

HOT COCOA

\$11/12oz tin

We use Ghanaian cocoa beans (considered to be the best in the world) to produce a hot cocoa mix with a rich aroma and a magical flavor. It's great on its own or in your favorite drink. This is the same cocoa mix that our cafe customers have been enjoying in mochas and more for years!
