

Lakeland's Little Learners  
June 2023  
Younger Two's News  
Ms. Cori & Ms. Barb

### Younger Two's Happenings

June already?! Time always seems to fly by when you are having fun, and we have had lots of fun in our classroom this past month learning about bugs and birds!

We will be welcoming some new friends to our 2.5 room in June, and we will be wishing other friends well as they move up to the 2.75 and 3K classrooms. It is always such a bittersweet time for all of us. Be on the lookout for a letter coming home regarding which room your child will be in this summer!

To keep us busy in June, we will be having fun learning about Zoos and Oceans! We will even be making masks of our favorite zoo animals and creating our very own ocean scene.

**DAD**  
A son's  
first Hero.  
A daughter's  
first Love.

### This Month's Theme

- ❖ Zoo
- ❖ Ocean

### Family Connection Activity

Two-year old's have an amazing ability to learn and grow. One of the important things they start to do is talk. One way to help them expand their vocabulary is just too simply talk things through.

An easy activity to help your child to learn unfamiliar words is to blow a dandelion seed and talk about what you are doing. Examples are: We are picking the dandelion. We are touching the dandelion. The seeds are traveling through the air.

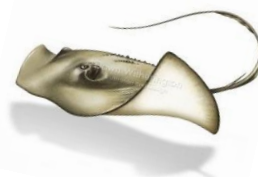

### Notes & Reminders

- Please be sure to apply sunscreen to your child before drop-off. We try to get out EARLY when the weather is nice. It should be on 30 minutes prior to sun exposure.
- Please be sure that we have a set of extra clothes each day and that they are weather appropriate and the correct size. They have grown SOOOOOO much this year!
  - ***Thank you for all you do as parents!***

### Important Dates

- June 12<sup>th</sup> Summer Session Begins
