Lakelands Little Learners Jackson Wrap November 2026 Hannah Person

November-A Month of Thanks

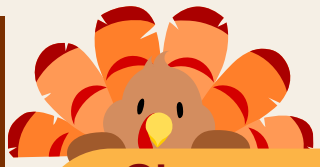

This month, we will be learning all about gratitude and the many things we have to be thankful for! We will explore what it means to show appreciation for the people in our lives, including our family, friends, teachers, and community helpers. The children will participate in fun, hands-on activities, creative crafts, and group discussions that encourage kindness, thankfulness, and helping others. We will create thankful turkeys, gratitude trees, and thank you cards while discovering simple ways to show appreciation every day. Throughout the month, we will also focus on ways we can help others at home, at school, and in our community. The children will practice teamwork, sharing, using kind words, and finding meaningful ways to make a difference in someone's day. We will discuss how even the smallest acts of kindness can have a big impact on others. We are looking forward to a month filled with gratitude, creativity, helping hands, and wonderful memories as we celebrate A Month of Thanks!

October Recap

This past month, we learned all about the beautiful season of fall! We explored how leaves change colors and fall from the trees, about cooler weather, and discovered what makes autumn so special. The children enjoyed participating in fun fall-themed crafts, creative projects, and hands-on activities featuring pumpkins, apples, and colorful leaves. We also celebrated Halloween with a fun-filled party full of festive crafts and exciting activities. It was a wonderful month full of learning, creativity, and making special memories together!

Classroom Reminders

- **Absences and Illness**: Please let the LLL office know if your child will be absent from the program. Absences can be reported to the main center via email or phone. If your child is not feeling well, we ask that you keep them home so they can rest and to help keep everyone healthy. You can view illness guidelines under health services at lakelandslittlelearners.com.
- **Weather-Appropriate Clothing**: Please make sure your child comes prepared for the weather each day. Depending on the weather, this may include a jacket, hat and gloves, or snow gear.
- Please communicate any schedule changes or planned absences ahead of time.
- Please keep toys and other belongings from home in backpacks or at home unless approved by staff.

Family Connection

This November, we are focusing on gratitude, kindness, and helping others. At home, take time as a family to share what you are thankful for, bake Thanksgiving treats together, or help prepare a family meal. These simple moments are a wonderful way to show appreciation and make special memories. We hope your November is filled with love, laughter, and thankfulness!
