

Lakeland's Little Learners

2.75 room

September 2026

Last month: We sure had a busy August! We have been strengthening our fine motor skills by exploring different art materials. The older two-year-olds have enjoyed painting pictures with watercolors, finger painting and gluing shapes and tires for our tractors! Our favorite activity was making all the different types of fruit and veggies that grow on a farm!

This month: Welcome to September! 🍁 We are so excited to begin a new school year filled with learning, growing, and getting to know one another. This month, our toddlers will be focusing on “All About Me!” as we explore what makes each of us special and unique. Throughout the month, we will learn about our families, our feelings, our bodies, and our favorite things through stories, songs, art, sensory play, movement, and lots of hands-on activities.

My Family- We will talk about the people who are special to us and learn that every family can look different. Children will have opportunities to share who is important in their lives while learning about love, belonging, and friendship.

My Feelings- We will explore different emotions such as happy, sad, mad, excited, and scared. Through books, songs, puppets, and pretend play, we will practice identifying feelings and learning simple ways to express ourselves and comfort others.

My Body Parts- Our toddlers will have fun learning about and naming different parts of their bodies. We will sing songs, read body-themed books, and participate in movement activities that help children become more aware of what their amazing bodies can do!

My Favorites- We will discover all the things that make each child unique! We'll talk about favorite foods, colors, toys, animals, books, and activities while learning that it's okay for our friends to like different things.

Parent connection: We would love your help with our “All About Me” theme! Talk with your child at home about their favorite things, the people in their family, and how they are feeling. You can even ask questions like, “What makes you happy?”, “What is your favorite color?”, or “Who is in your family?”

Reminders: If you could please send us a family picture for our family tree, we would appreciate it! The children love showing off their families to their friends. You can bring in a physical copy or email Ms. Tiffany a photo to tcate@lakelandslittlelearners.com and she will print it off and laminate it.

Thank you for helping us make September a month all about celebrating WHO WE ARE! 💕 We can't wait to learn, laugh, play, and grow together!

Ms. Tiffany and Ms. Brittany
