

Hello Families,

The school year is right around the corner! I would like to welcome those of you who are here for the first time and those who are returning to the School-Age 2 room at Lakeland's Little Learners. I am excited to have everyone here and can't wait for the school year to start!

For those of you who do not know me, I am Ms. Jacintta. I am the lead teacher for School-Age 2, morning class. I graduated from York College, in Nebraska, with a Bachelor's in Art Education K-12. I have worked with youth in a variety of settings, both at school and in home. I also have experience caring for elderly dementia residents. Since starting at Lakeland's Little Learners, I have worked with multiple age groups. During my free time I enjoy reading, art, outdoor photography, and spending time with my friends, family, and two cats.

Our classroom is a place to explore, learn, and grow. We have a multitude of different learning centers that may interest your child, some of which are: the library, science, arts and crafts, music, construction, writing, and housekeeping. Activities and materials will change periodically. There are quiet areas for your child to use, as well as an area to work on homework. There will be a variety of activities planned each month around a theme that reflects our student's interests. Outside play will be offered daily, weather permitting, so please have appropriate outdoor clothing and outerwear available for your child.

If there are any special announcements, they will be posted on our website, sent via email, or on Procure. Menus can be found on our website. Conferences will be offered twice a year or upon request. I am here for you and your child. If there are any questions, please feel free to contact me.

Children arriving before 7:30 AM may eat a healthy breakfast brought from home at one of our classroom tables. After school we will provide a healthy snack for your child. Teachers will walk your child to and from the bus. Please make sure to call extension 201 if your child will be absent. We have not received this year's bus times yet, but based on years past these are the approximate times:

Tibbets

Approx. 7:40 AM-Leave for school
Approx. 4:00 PM-Arrive at center

West Side/Jackson

Approx. 8:10 AM-Leave for school
Approx. 3:35 PM- Arrive at center

Attached is the Alternate Arrival and Release Form for your child to go between the center and their school. Please return this before your child's first day either in person, by email, or over fax (262) 723-8381. Attached is a family questionnaire that will be part of your child's portfolio. A parent survey is also attached please return these by the end of the second week of school. This survey will help me to understand what you would like for your child from our program. Good news, this is the bulk of the paperwork for the year. Thank you for your help!
