Dear Families,

A very happy school year to everyone! It is so very exciting to welcome back everyone and to be your child's After School teacher at Lakeland's Little Learners. I am eager to meet new friends and welcome back many from last year. It has been said that education is the most powerful weapon you can use to change the world. With that in mind, it is my hope that the instruction my program will provide will help to arm your children with the knowledge and skills needed to one day change the world.

September News

The month of September, we will discover the subject of **Art**. Pablo Picasso said that "Every child is an Artist". The reason for this theme is that experts have said that art expands a child's ability to interact with the world around them and provides them with a new set of skills for self-expression and communication. As the children express their creativity, we hope to learn to paint by sound. As the students get to know each other, they will have the chance to work together to sculpt and paint a mural that will hang at our center.

Please make sure that if you are picking up your child right as the bus arrives you allow them to check out with the teacher and that you have spoken with the teacher before leaving.
