

Welcome to 4K

Dear 4K friend,

I am very excited to have you in our classroom! We are going to have a lot of fun learning together by reading books, singing songs, and exploring new things.

Writing, building with blocks, creating artwork, digging in the sand, and playing dress-up are a few of the centers you will be able to explore in the classroom. All these centers are ready and waiting for you.

I look forward to meeting you very soon.

Your 4K teacher,
Ms. Nicole
