Younger Two's Happenings

April (snow) showers bring May flowers! Time seems to be flying by. April brought lots of fun in our classroom. We talked about spring and had a ball pretending to be dinosaurs.

In May, we will watch for bugs that start to come out this time of year and talk about their interesting purposes. Later in the month, we will talk about our local flying friends, birds!

This Month's Theme

- ❖ Bugs
- ❖ Birds

a Mother
 is like a FLOWER;
 each one
 beautiful
 and unique.

Family Connection Activity

A terrific time to get the whole family involved is at snack time. Gather your family and let everyone help prepare the snack. Finally, sit down together and eat it. Here are some simple ideas that coincide with our bug unit.

- Ants on a log (celery, peanut butter, and raisins)
- Ants in the sand (crushed graham crackers and chocolate chips, eaten with a spoon!)

Notes & Reminders

- Sunscreen use starts May 1st-Please sign up for center Sunscreen or bring in your own and make sure to fill out a Medication Authorization form for it. (Please let me know if you need a form from the April 25th email.
- Do we have at least one change of seasonal clothes for your child? Let me know if you are unsure!
 - Label all belongings please!
 - Thank you for all you do as parents!

Important Dates

- May 11th - Muffins in the morning 9am
 Your child may invite one special guest to join them in our classroom as we taste delicious muffins made by our class.
- May 9th -13th - Parent/Teacher conferences
 If you would like to discuss your child's progress this year, please let me know and we can set up a time to speak in-person, virtually or by phone.
- May 30th - LLL Closed for Memorial Day
