**Last month:**

In January, we learned about winter fun, winter animals and hibernation! We made bear caves, bear masks, snowflakes, mittens and more! Did you know that frogs hibernate? We sure love doing artwork and working on our fine motor skills while having fun creating masterpieces!

**This month:**

February is dental health awareness month! There will be lots of talks about brushing our teeth, flossing and eating health foods. We will also be talking about Valentine's Day, feelings, kindness and pets. Towards the end of the month, we will be doing a special project. We will need pictures of the family pets you have at home. If you don't have a pet, a picture of a special stuffed animal will do just fine. 😊

**Parent Connections:**

Talk about how we can have healthy teeth at home! Take your little one to the store to pick out a new toothbrush and maybe even a new flavor of toothpaste. Dollar tree has lots of options for little ones. Make a fun indoor picnic in your living room full of healthy food and drinks for your teeth!

**Reminders:**

We know favorite toys can be comforting, but to avoid tears, choking hazards, or lost items, personal toys should stay at home or be left in the car during daycare hours. Each child is welcome to bring one stuffed animal to cuddle with during nap time. Thank you for understanding!

**Important dates:**

February 11<sup>th</sup> Elegant Farmer pick-up

February 11<sup>th</sup> Valentine's Day party

Thank you for helping us make February a month full of warmth, kindness, and little smiles. We are so grateful for our daycare families- thank you for sharing your little ones with us each day.

♥ Ms. Tiffany and Ms. Haley ♥
