

# Adorable Adventures

We're on an expedition to capture preschoolers' smiles with this adorable sweet setting featuring a sandy-colored backdrop and safari-themed props.

Lifetouch.

# Picture Day Overview

## Before Picture Day

Provide your class roster and promote Picture Day to your families with the free materials we provide.

## During Picture Day

Our photographers will print picture proofs on-site for you to distribute to your families to view and order online.

## After Picture Day

Families can order prints and digital images online. Orders are shipped 2 weeks after Picture Day.

## For Your Center:

### Our Commitment to Safety

Lifetouch performs annual background checks on all photographers and tests all props to ensure they are safe for all ages. This allows us to provide the best quality pictures in the safest environment for all students.

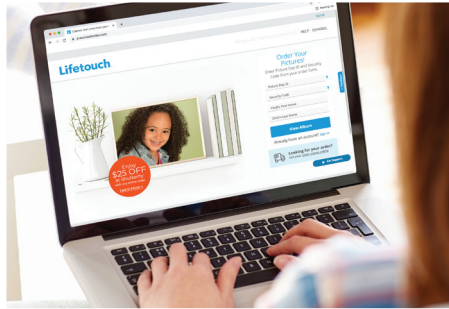

### Pictures For You & Your Staff

All staff will be provided a free staff package, including a class picture and staff ID. Plus, children of staff receive 50% off their order.

### Graduation Folios

Celebrate your students' achievements by providing a free Graduation Folio for each Graduate.

*(Only available to select centers)*

## For Your Families:

### Easy & Secure Online Ordering

Lifetouch provides a unique Picture Day ID for every child to ensure a safe and secure ordering process that's easy for all families.

### SmileSafe ID's

Every child photographed receives a SmileSafe ID card. In the event a child goes missing, Lifetouch provides the most recent image to law enforcement.

## Lifetouch + Shutterfly

CAPTURE, PRESERVE AND SHARE

### Digital Image Library

Families who order an eligible package will have their digital images available on Shutterfly to preserve their collection as it grows.

### Gift with Purchase

When families order online they will receive a free gift from Shutterfly to further preserve the memories of their child.
