Lakeland's Little Learners

AUGUST 2026

Hello August! Hi Families,
July has been a full month and I can't believe we are winding down towards the final weeks of summer. Before it's over, we still have a lot of learning, playing, and creating in store for everyone. I thank you so much for spending your summer with us and we hope all the children will walk away with some fun memories, new experiences, and new friendships. We wish you all a happy and healthy month of August!
- Mrs. Casey

Coming Up...

Week 10: Nature is all Around

A week full of exploring the outdoors!

Week 11: LLL Summer Olympics

Let's go for Gold!, Silver, and Bronze!

Week 12: Student Voted Theme

This week's theme will be voted on by the students themselves. Stay Tuned!

Week 13: Summer Carnival

Making our own carnival games, winning prizes, and enjoying a few special treats.

Week 14 (Sept.): No Theme Week

This week will be full of all the things we wanted to do, but never had the chance.

REMINDERS...

- Water bottles daily are highly encouraged.
- Take home wet swimsuits and towels daily.
- Clean out your child's classroom bin at the end of each week. Only leave spare clothing.
- Report any absences, illnesses, or late drop-offs via a phone call to the office as soon as possible.
- Check in with staff at pick up/drop off to ensure smooth and safe transitions in/out of the class.
- **Please have sunscreen applied prior to drop off**

Creating Connection

Concert in the Park - Did you have a concert in the park on your summer bucket list? If so, it's not too late to catch a performance. Concerts in the Park are a great way to expose children to a variety of music, from different tribute bands to classical symphony. The **Elkhorn Bandshell**, **Phoenix Park Bandshell** in Delevan and **Flat Iron Park** in Lake Geneva are local spots that offer free concerts during the summer. Each location has concerts coming up in August. Check their websites for a full list of dates. Grab a blanket, snack, and head out to the park for a night of free music and fun with the family.

Special Dates...

- ♦ August 21 - Last Day for Sunset Pool Swimming
- ♦ August 25 - **Roller Skating Field Trip**
- ♦ August 28 - Summer Carnival
- ♦ September 2 - **Movie Theater Field Trip**
- ♦ September 7 - LLL Closed for Labor Day
- ♦ September 8 - First Day of School for EASD

Last month...

The month of July has flown by! We've had a lot of fun at the park, pool, and getting outside as much as the weather would allow us to! The kids have been so great about finding the fun on the hot days and understanding when we need to stay inside due to the air quality. We have quite a few things growing in the School-Age gardens. We've enjoyed picking cucumbers, checking to see how big the green peppers are getting, and smelling the dill. The class has also been a great help in keeping the plants watered through the heat. It was an exciting day when we made slime. Slime never stops being a "fan favorite" in the school age department. We also had a great time on the bowling field trip and we hope all the kids were proud of how well they bowled!
