### January 2023

Ms. Shandana

**Last Month:** I hope everyone had a great holiday season! In December, we learned about holiday times, Christmas colors, and music. Thanks so much to all the families who brought yummy treats for our Christmas party and also made me feel special with all the goodies and gifts.

**This Month:** In January, we will be learning about our winter unit snow, ice and cold. Our class will stay busy by making many exciting art projects that will help to strengthen our fine motor skills. We will also enjoy moving our bodies by dancing and singing to some of our favorite songs, like "Going on a Bear Hunt," and "Kids in Action."

**Parent Connection:** While you're driving or taking a walk, talk to your child about the snow, ice and cold weather. Join your child in digging in the snow, making snowballs or building a snowman. Snap a picture and bring it in for us to share during our time together. Most importantly, have fun engaging with your child!

**Reminders:** Please bring in an eco-friendly bag with boots, snow pants, a hat and mittens. We will be going outside everyday weather permitting. Please make sure all items, including the bag, are labeled with your child's first and last name.

#### **Mark Your Calendar:**

January 17<sup>th</sup> - Elegant Farmer Fundraiser begins

January 20<sup>th</sup> - Panera Bread Fundraiser night

January 31<sup>st</sup> - Elegant Farmer Fundraiser orders due by 5pm

I hope you have a great start to the New Year!
