

Infant Room Lakeland's Little Learners August 2022

July Highlights:

Our Ocean theme was an exciting way for us to explore life under the sea. Counting fish and pointing out the many colors of fish were just a couple of ways that we focused on life under the sea. The children got to pretend as if they were on the beach, as well as engage their senses by playing in the sandbox on our playground. Singing and dancing to "Baby Shark" and "Slippery Fish" was our favorite activity this month! Watching these children grow and learn new things every day brings us so much joy!

August Theme:

In August, we are going to the farm! Animals, tractors and trucks. Oh my! Talking about the animals that live on a farm and listening to the sounds they make will be an exciting way to explore life on the farm. We can't wait to watch the children dance as we sing songs like "Old MacDonald" and "Down in the Barnyard". It will be an exciting month learning all about the farm.

Family Connection:

This month, take a trip to the Green Meadows farm! This is a local petting farm. Talk about all you see around the farm. Use descriptive words when talking about the things you see. "I see a big pink pig." "The chickens are running fast to get to their food." "The horse is so tall and says neigh." Take a hayride, ride a pony and feed the animals. At the end of the month considering going to the Walworth County Fair in Elkhorn and taking a walk through the barns!

Reminders:

Please be sure to send appropriate outdoor clothing for the weather. Gym shoes are appreciated for those that are walking and those that are beginning pulling up as we can go out on our playground. We are able to go outside more now that the weather is getting nicer! We do apply sunscreen for children 6 months and older, but also ask that you send a sun hat to school each day to help protect them from sun exposure.

Also, please be sure to label all belongings and food each day. We encourage you to come into the room at drop-off and pick-up.

If you have any questions or concerns, please let me know.

Thank you,

Ms. Louise and Ms. Krista
