May 2025 Newsletter

Theme for the Month

- Bugs

Classroom Happenings

- In April we welcomed Sarina to the Toddler Room. Welcome Sarina! April highlights in our classroom included listening to the book "Spring Babies", learning to hop like a bunny and hosting our annual family spring event, *Muffins in the Morning*.

- This month we will be discovering bugs! Hopefully, May will bring nice weather that will allow us go on several bug hunts to see what kinds of bugs we can find and observe on our playground. We also will be reading books by Eric Carle that focus on bugs and making bug crafts such as coffee filter butterflies.

Family Connection Activity

- One of our favorite children's authors in the Toddler Room is Eric Carle. He has written and illustrated over 70 children's books that have been translated into 66 different languages!
- This month we will be reading his books *The Very Hungry Caterpillar*, *What's Your Favorite Bug?* and *The Very Busy Spider*. Do you have a favorite children's author or book that you can share with your child?
