

Dear friend,

It's almost time for another great school year at Lakeland's Little Learners. Are you ready for lots of fun?

I've been busy at school getting the room ready for you. The trucks and tractors are washed and ready to roll, the sandbox is filled with new sand, the dress-up clothes are washed and ready for play, and there is a rainbow of colors for you to paint with.

I am looking forward to having you in my class. We will have so much fun learning new things and meeting new friends. I will be wearing a bright, happy smile. Please wear your smile, too!

See you in September,

Ms. Allie
