We would like to **WELCOME** all our new friends that are joining the Two's Classroom this month! We're so happy to have you.

The first part of September, we will be finishing up our pet unit talking about what pets are, different kinds of pets and what they mean to our family.

Later in the month, we will be learning about apples: discovering their many colors, different ways we can enjoy them and even doing some tasting!

Family Connection Activity

Pets can be a wonderful way to bring families closer together! Here are two activities you can do with your pet to strengthen family bonds. **Pet Playtime:** Set aside time for everyone to play with your pet. Whether it's a game of fetch with your dog, laser pointer games with your cat, or even interactive toys for a smaller pet, it's a fun way to bond. **Pet Care Routines:** Involving children, even as young as 2 years old, in the daily care of pets like feeding, grooming, and cleaning teaches responsibility and empathy.

PLEASE remember to let the office know if your child will be absent around Labor Day!
