

2.75 Room Newsletter Lakeland's Little Learners May 2022

Last Month:

The children enjoyed getting outside and breathing in our fresh spring air. We have been watching the birds, the grass turning green and the flowers beginning to blossom! The children also had a blast celebrating the Week of the Young Child by dancing, enjoying a delicious ice cream treat, building towers together and more!

This Month:

We will continue to learn about birds, weather changes, flowers, and butterflies. Creating art inspired by frogs and lily pads will be an exciting way to work on our fine motor skills. We will also be talking about family, and Moms in particular, to help celebrate Mother's Day!

Parent Connection:

Get outside with your child to look for butterflies and enjoy the weather by drawing with sidewalk chalk, blowing bubbles, and/or having a picnic in your backyard. They will be strengthening their fine and large motor skills all while having fun!

Reminders:

Make sure to check your child's cubby for the correct size and season appropriate clothes. Mark your child's name on his or her belongings please! Thank you all

Mark Your Calendar:

Muffins in the morning: May 11th
Your child may invite one special guest to join them at 9am for a muffin treat.

Memorial Day LLL Closed: May 30th
