

Lakeland's Little Learners

3K-1 with Ms. Allie

April 2026

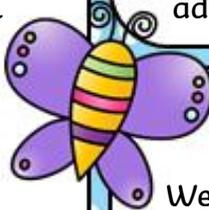

Themes

This past month we have really enjoyed reading a variety of fairy tales and nursery rhymes. We retold the story of "The Three Bears" to our friends on the flannel board, worked hard to put "Humpty Dumpty" back together with band-aids, and created our own "Itsy Bitsy Spiders" out of clay and googly eyes.

The week we were learning about St. Patrick's Day, we were so surprised when we came into our classroom to find green footprints and everything topsy-turvy. One of the leprechauns must have had a hole in his pocket as we found gold coins everywhere!

In April, we will be springing into the new season. Learning about plants, flowers, and all the changes Spring brings is going to be very interesting. We will make a special kite snack and see what happens when a flower drinks colored water. We will even be exploring about bugs!

Picture Days

Picture Day at Lakeland's Little Learners for 3K will be Friday, April 10th. A Lifetouch flyer with information has been sent home. If you want us to change your child in to or out of a fancy outfit, send the clothes and let us know. Need additional info, please ask.

Week of the Young Child

We will be celebrating the Week of the Young Child April 13 - April 17. Each day we will have special activities and fun dress-ups.

- April 13 - Mismatch Day
Dress in mismatched clothing!
- April 14 - Team Clothes Day
Wear your favorite team's gear!
- April 15 - Crazy Hair Day
Style your hair in a unique way!
- April 16 - Pajama Day
Wear your favorite pajamas!
- April 17 - Silly Sock Day
Wear your favorite silly socks!

Family Connections

On Tuesday, April 21st, Lakeland's Little Learners will be hosting a "Bug Event". There will be all kinds of fun and educational bug activities. Each child may invite one special adult to join them. The fun begins at 9:00am. Hope you can join us!

As we learn about plants and flowers at school, begin a plan of what you could plant at your home. In a spot of dirt or a flowerpot, marigolds or peas, children love to help garden!
