LAKELAND'S LITTLE LEARNERS

October 2026

Last month...

September was a busy and exciting start to our new school year! We spent time getting to know one another and exploring our classroom environment while learning important expectations like taking care of ourselves, our toys, and each other. Respect and honesty were key themes as we built a strong classroom community. We also practiced fire and tornado drills to stay prepared for emergencies. Our monthly theme, *Bubbles*, was a big hit – students explored bubbles through art, science, and even sports. Who knew that was even possible.

Important Dates

- ♦ 9/28 – Teacher Day – NO SCHOOL
- ♦ 10/14 - 4K Outreach: Field Trip to Pearce's
- ♦ 10/29-10/30 – Fall Break – NO SCHOOL

This month...

This October, our class is diving into the exciting theme of sports! We'll explore how sports have evolved over time, learn about both traditional and unique games, and practice playing them individually and as a team. Students will even get a chance to step into the role of coach by teaching a sport of their choice to their peers. It's a great way to stay active, build leadership skills, and enjoy the beautiful fall weather together!

Family Activity

Looking for a fun fall activity with your kids? Take advantage of the cooler weather by visiting a local pumpkin patch or apple orchard, where you can pick pumpkins, go on hayrides, and enjoy delicious treats like cider and caramel apples. It's a great way to spend quality time together while enjoying the beautiful fall scenery!

LEAD SCHOOL AGE TEACHER: Mr. Mike

EMAIL: mrmike@lakelandslittlelearners.com

Would you like to meet up with Mr. Mike for a parent-teacher conference? Conference times are now available. Talk with Mr. Mike to schedule a meeting time.
