

# February News 2026

## Lakeland's Little Learners Tibbets Wrap-Around

I'm so happy to be back with the crew. It's hard to believe, but we are halfway through the school year. We have had a lot of indoor time the last couple of weeks, so we have been playing gym games. Basketball has been a big hit! We are starting our artwork for our Original Works of Art fundraiser, so be on the lookout for information.

During the month of January, students made snowflakes and snowmen, in hopes of some real snow, and we got some! Unfortunately, we also got some really frigid temperatures. February will find us making and talking about the giving of heartfelt valentines to those we care about. Students may also choose to make a valentine for someone who could use a smile in a local care facility.

Looking for a family moment? Check out the night sky and do some planet and star gazing together. Aurora Borealis has been present some, so be on the lookout for that also. Let us know what you see!

If you ordered anything from the Elegant Farmer fundraiser, the pickup date will be February 11th. Items may be picked up at the main center. The Elegant Farmer usually delivers in the morning but, feel free to call the center to make sure it has arrived.

There will be no school February 12th (4K-5th only), 13<sup>th</sup>, and 16th. Looking ahead, school will also be closed March 27th – April 6th. If you need care, please be sure to contact the center by email or calling 262-723-8391, to give your schedule needs on or before the Friday they are due.

We have had a great first half of the year, and are looking forward to our second half of the year. Let's hope the sunshine continues!

Ms. Sawyer and Ms. Shirley
