

Welcome to our Classroom!

Dear 4K friend,

We are super excited to have you in our classroom! You are now a 4K student and we are going to learn so much and have lots of fun doing it.

Our classroom will have many activities and learning centers that you will love to play with and your families will notice how these activities help your brains grow.

There will be a wonderful selection of books for you to look at and share with your friends. You will have lots of opportunities to spend time reading stories about pretend characters and books about real life things.

You will get to build with different types of blocks, create beautiful artwork, put puzzles together and investigate living things and interesting happenings in our world.

During the school year we will celebrate special occasions (like your birthday) and we will do lots of singing, dancing and moving every day.

We are looking forward to meeting you very soon!

Your 4K teachers,
Ms. Kelly & Ms. Jenny
