

## Infant Room Lakeland's Little Learners December 2025

### November Highlights:

November found us getting our bodies moving by going on a bear hunt. Some of our favorite books this month were The Very Hungry Caterpillar and Jamberry. The children felt different textures while playing with the gourds and pumpkins we had in our room. We introduced new words like bumpy, smooth, big and small. Everyone loved singing turkey songs in celebration of Thanksgiving. We also had fun going on walks and playing on the playground, as well as watching the first snowfall. We have enjoyed watching everyone growing and reaching his or her goals!

### December Theme:

December brings us into the Christmas/Holiday spirit. We will be shaking bells, as well as, playing with bows, boxes and wrapping paper. Everyone will enjoy dancing to Christmas music and singing Christmas songs as we decorate our classroom Christmas tree together. We will also explore winter by discovering what happens when you bring a snowball inside (if weather permits) and touching ice to see what it feels like.

### Family Connection:

Let your baby experience Christmas through their senses. Have them touch and smell the Christmas tree. Jingle some bells, listen to Christmas music and play with bows and boxes. Drive through the neighborhood looking at all the twinkling lights. They will be so excited and you can enjoy watching baby's Christmas come to life! The Grand Geneva has a beautiful lights display you can drive through and enjoy.

### Reminders:

Please be sure to send appropriate outdoor clothing for the weather. If we go on a walk or play on the playground, the weather can be very windy and chilly during these months. Also, remember to label all of your child's items with their first and last name.
