October Highlights:

It seems like October just flew by. We spent the month exploring the season of Fall by going for outside to enjoy the changing colors of the leaves. It was a busy month in the infant room with many new milestones being met like rolling, pulling up and crawling. It was so fun to see some of our infants dressed up for Halloween!

November Theme:

In November, we will be moving into our Harvest/Thanksgiving unit. The beginning of the month will be all about the colors we see around us in Fall. Red, brown, yellow, orange, and green are just a few of the colors we will focus on during our harvest study. Looking at pictures of leaves, pumpkins, and various foods that are these colors will be an exciting way to experience this time of year. Also in November, we will be reading books and singing songs about Thanksgiving and turkeys such as "Hello, Mr. Turkey" and "The Turkey is a Funny Bird". We hope everyone has a wonderful Thanksgiving holiday!

Family Connection:

With the weather turning colder out, this is a wonderful time to spend some time snuggled up reading books with your infant. While reading, help them point to different things in the book as you say the word. This is a great way to help them learn new words. It is never too early to begin to develop a love for books and reading. Let us know if your family has a favorite book so we can read it together in our classroom.

Reminders:

Please be sure to send appropriate outdoor clothing for the weather. Our playground can get a little windy and chilly during these Fall months.

Parent-Teacher Conferences:

If you would like to discuss your child's progress, please let me know and we can set up a time to meet during the month of November. We can meet either virtually or by phone.
