

## Lakeland's Little Learners Tibbets Wrap-Around April 2022 Newsletter

I hope you all had a great break!

It is hard to believe we are in the last quarter of the school year. This time of year brings lots of different paperwork, please be on the lookout. Summer registration continues, let me know if you want a contract. Find out more on Lakeland's Little Learners Website!

Registration for the 2022-2023 school year also continues. Wrap-Around spots fill fast, so if you are interested in before or after school care at Tibbets, please contact the center ASAP to see what spots are still available. I also have school year contracts available.

So much fun was had when Ms. Jessica from the Matheson Memorial Library On the Go program came again in March. We made 3D paper dragon flies! March went by so quickly that we did not get to our egg coloring, so I look forward to experimenting with egg coloring this month. Also in April, we will be exploring Spring! We will plant seeds, observe the signs that spring is here, and play field games.

We are happily anticipating some warmer weather, as the weather gets nicer we will be spending more time outdoors. Please have your child bring a sweatshirt so they have choices on what to wear based on the temperature. We are starting spring off with a playground clean up.

Have some family fun at home with your own spring clean up. Lighten the chores by playing I-Spy with signs of spring like new plant growth and returning animals.

Tibbets will not have school Friday April 15th and Monday the 18th, if your child needs care make sure to contact the center, 723-8391.

As always, if you have any questions or concerns please let me know. If your child will not be attending the scheduled time please call or text me at (815) 690-8782.

Thanks,  
Mrs. Sawyer
