School-Age 2 Newsletter
Ms. Jacintta

From October Into November

October was filled with a variety of games that we played solo and with others. The sliding puzzles allowed us to test our problem-solving skills with each level we played. Our IQ games were a great way to start the morning. Piles, a game of sorting clothes, was an absolute hit and played most days. We pulled out a summer favorite, Flip 7, a game of luck and risk. We learned some new competitive games like our Triangle game, which was simple and fun. Our Tic-Tac-Toe tournament ended in a winner, congratulations Kylar! Our Lakelands Animal Shelter donations box was decorated and placed in the front lobby. We used our typing skills and worked on our spelling while creating our donations list.

November will be filled with different animals and insects. There will be a microscope available to take a closer look at bones, fur, and various insects. We will create bird feeders to place on trees around the center. The various parts of a bird will be discussed and with that knowledge we can create colorful cardboard birds. Art materials will be used to decorate cardstock and turned into snake fidgets by cutting them into strips and connecting them into links. Different types of clay can be formed into different shapes and put together to create miniature animals.

Family Connection

Thanksgiving will soon be here and with it food and time to spend with your families. As a family you might want to take time out of your day to share what you are thankful for. You could turn this into a family tradition or come up with your own family traditions. What will Thanksgiving be like this year? Will you have a turkey, a ham, a roast, or something different? Will there be mac and cheese, mashed potatoes, or green bean casserole? Come up with a list of food with your child and the ingredients you will need. Now it's time to head to the grocery store and have them help you load the cart, check out, and unload your vehicle. They can also help to prep the food and set the table. Enjoy your Thanksgiving with family and friends!

Dates to Remember

November 5th -Holiday wreath orders due
November 20th—Wreath order pick up
November 25th-30th—EASD No School
November 26th—LLL CLOSED-Happy Thanksgiving!

Important reminders
