Dear Families,

Welcome back to all and a very happy school year to everyone! I am very eager to meet new friends and welcome back many from last year. It has been said that when you love what you do you never work a day in your life. I am very grateful for having this be true in my case. It is my hope that the instruction my program will provide will help to arm your children with the knowledge needed to one day change the world.

### ***September News***

The month of September, we will discover **Art**. Pablo Picasso said that "Every child is an artist" As the children express their creativity we hope to learn to paint by sound and as the students get to know each other, they will have the chance to work together to create a mural that will be displayed at the center. We also hope to paint with splatter like Jackson Pollock and sculpt like Rhodan using household items.
