4K-3 Room News
Lakeland's Little Learners
Ms. Patti and Ms. Jenny
August 2026

July Highlights

We spent the last month learning all about living and working on a farm. The children had so much fun collecting eggs from our hen house, serving ice cream at our "Ice Cream Shop" and shopping at our farm stand. Cutting, gluing, and painting our farm animal art projects was a great way to work on our fine motor skills, while also learning about the animals you might find on a farm.

Looking Ahead

During the month of August our classroom will be going camping. Our dramatic play area will be transformed into a campsite, complete with logs to build a campfire. We will be discussing all of the things families might do on a camping trip, as well as, how to stay safe while out in the wilderness.

End of Summer Celebration

On Thursday, September 3rd, we will be having a special summer party. Students will enjoy a final water day and a special snack. I will be hanging a sign-up sheet on the classroom door for anyone that would like to donate an item for our party.

LLL Water Play Days

During the month of August, we will be switching our LLL water days to Thursday. If your child attends on Thursday and would like to participate, please be sure they have a swimsuit, shoes that can get wet, and a towel.

Sunset Pool Field Trip

Aug 6th and Aug 19th, we will be going to swim at Sunset Pool. The pool is located at 320 Devendorf St. Elkhorn, WI 53121. The phone number is 262-723-2279. We will leave via LLL bus at 10:45am and return by 12:15pm. The cost of these field trips is \$7.00 cash per trip.

Family Connection

See how many different shapes your child can identify by pointing them out while driving or taking a walk. For example, point to a yield sign or a stop sign and see if they can tell you what shape it is. If your family enjoys camping, send in a picture from one of your camping trips for your child to share with everyone!

If you have any questions, please feel free to contact me at pberley@lakelandslittlelearners.com or by phone at 262-723-8391.
