I am enrolling my child, _____, at Lakeland's Little Learners, Ltd. for the full 2022 Summer beginning June 9, 2023 through Sep 1, 2023. If not for the full summer, my child will be here from June 9th through _____. Throughout the summer, the center is open from 6:30 am through 5:30 pm.

In enrolling, I signify that I have read and agree to the Operating Policies and Fee Schedule, and all fees associated with that schedule including, but not limited to: Registration, Tuition, Time Outside of Scheduled Hours, Late Payment, Lunch, Drop-In/Added Hours, Scheduling Adjustment, Missing Forms, Failure to Sign-In or Out on the Time Clock, Contract Renegotiation, Holding Spot, ISF, and a Two Week's Notice Before Termination of Fees.

I understand that my weekly schedule remains as contracted below and I understand that I am charged by the schedule I have contracted regardless of attendance or closings beyond our control. I may not subtract any hours from those contracted for, but with proper notice, and approval, I may add hours for service if the hours are available. Additional Fees will then be added per the Fee Schedule for this added service. When my schedule changes from the hours listed below, for any reason, I must hand in a written schedule request by 10:00 am at the main center on or before the "Schedule Friday" appropriate for the tuition period involving the request. I understand this is necessary to give Lakeland's Little Learners time to approve additional hours requested, time to notify teachers of absences for safety purposes, and time to process any credits or charges to tuition that may be due.

This contract is for the duration of the summer as dated above. Separate contracts will be issued for School Year services.
