Tibbets Wrap-Around

Newsletter

November 2025

Autumn is here! As the weather cools down, please make sure your child is prepared to go outside. I always recommend wearing layers this time of year. Please reiterate with your child the importance of bringing all belongings including, coats, hats, gloves, water bottles, etc. from their classroom to Wrap-Around. Students are not allowed to go back to their classrooms to collect these belongings.

Remember, if we don't have school, Wrap-Around will be closed. Please contact the main center by 5:00pm on November 6th if you need care on November 26th or 28th. If you are looking for entertainment, the Matheson Memorial Library offers many programs like the weekly Paws to Read, Minecraft and Pokemon nights. They are doing renovations so please check the Calendar of events on their website for further details.

Other quick reminders: Nov 2nd - Daylight Savings Ends

Nov 3rd - No school- teacher in-service

Nov 26th - 28th - No school- Thanksgiving Break

Wrap-Around students are doing well and fun is being had. Last month, we made some awesome Halloween decorations. November plans include: Turkey Talk, Thankfulness, and a variety of outdoor games and activities, like Gaga Ball! If you would like to read more about what we will be doing, please check out the lesson plans hanging by the mailboxes, or ask your student!

I have been out this month due to a torn Achilles tendon and I am looking forward to returning in November. Ms. Shirley, Ms. Cindy, and Ms. Jasmina have been having fun with the students. Please remind your child that they need to be helpful by following the same rules and showing respect to any adult that is in charge. Also, please continue to text me when your child is not attending, because I am in constant communication with the teachers.

I hope you all have a wonderful Thanksgiving! Talk to your child about what it means to be thankful and think about all the things you currently have to be thankful for. This would be an opportunity to discuss with your child the hardships people are facing due to natural disasters, war, and events that have happened this year .

Let me know if you have any questions or concerns. We do offer conferences during November. If you would like a conference, let me know and we will arrange a time.

Ms. Sawyer and Ms. Shirley
