Theme for the Month
All About Me

Welcome

Welcome to all of the children that will be in the Toddler Room this Fall. We are so excited that you will be a new or continuing member of our classroom!

In September, we will be learning about ourselves and how we are similar and different. Activities that we will be doing this month include listening to the book *Ten Little Fingers and Ten Little Toes* by Mem Fox and learning a finger play called *All About Me*.

Family Connection

This month we will be talking about ourselves and what makes us special! We ask that you bring or email us a baby picture of your child for us to share with his/her classmates. When selecting a photo, sit down with your child and talk about how much your child has changed since they were a baby.
