Dear Families,

Welcome back to all and a very happy school year to everyone! I am very eager to meet new friends and welcome back many from last year. I have been told that "education is our power to change the world." It is my hope that the instruction my program will provide will help to arm your children with the knowledge needed to help themselves and others to excel.

September News

In the month of September each year, we discover **Art**. Pablo Picasso said that **"Every child is an artist"** As the children express their creativity, we hope to learn about art in its many forms. As we get acquainted with each other, the students will have the chance to work together to create masterpieces on canvases that will be displayed at our program. We also hope to paint with splatter using acrylics, paint movements like Edgar Degas, and light as did Claude Monet.

Reminders

-Entry into the Jackson Wrap-Around program is through door #9. You must walk up from the parking lot, as driving on the service road is not permitted.

When you get to the door, please ring the doorbell and I will open the door for you because all doors are kept locked. You will need to sign-in using our time clock. If you are new to Lakeland's Little Learners, be sure to watch for an email from *Procare* containing the number you will use. If you have been with us before, your number is the same. New families will also get a second email inviting you to sign up for the Family Engagement feature. If you were with us last year and did not sign up, let the office know and they can send you a new invitation.

Please do not bring a child experiencing symptoms of illness. Absences due to illness or any other reason should be called into the main center (262) 723-8391, ext. 201 or text/voice message to our Wrap-Around phone (262) 325-1802. Thank you! in advance for your help keeping everyone healthy and letting us know they are safe.
