Children are very interested in clothes. They talk about their clothes in the room, put them on and take them off, compare clothes and add clothing details to their drawings. Children's interest in clothing can be the foundation for learning about different kinds of clothes, a variety of fabrics, the processes involved in making and selling clothes and how clothes have changed over time.

We will begin our study by focusing on Community Helpers. We will discuss the many jobs in our community and all the different types of clothing worn for those jobs.

2025 Christmas Program

Where : Elkhorn Area High School

When : Thursday, December 11, 2025

Time : 6:00 pm

Please arrive by 5:45 and have your child use the bathroom before joining us in the auditorium. Refreshments will be served after the performance.

The children have been working very hard learning several songs and a wonderful festive dance to share with you.

Winter Gear

Now that our weather is changing, please remember to send your child with all their winter gear; coat, mittens, hat, snow pants and boots. It is very helpful if all the gear is in a recyclable bag with a handle and items are labeled, including the bag itself.

On December 19th at 9:00am, we will be having our classroom Christmas party. We will create a holiday craft, play many games and enjoy some sweet Christmas treats. Look for a sign-up sheet on our door if you would like to contribute to the day of fun or volunteer.

Family Fun Time

This weekend go on a Math Hunt with your child. Together, discover items that are in a group, count them, and see if your child can tell you what number comes next.
