Valentine Party

We will be having our Valentine's Day Party on **Wednesday, February 14th**, from 9-10:30. Please have your child bring 25 valentines to pass out to their friends. This is a great opportunity for your child to practice writing their name on a few of the valentines. Please do not address each envelope as this makes it much easier for them to deliver their valentines. Look for a sign-up sheet on the outside of our classroom door very soon for party treat donations.

Reminders

*Make sure you check your child's cubby for a new book each week. Do not forget to bring back your child's book on their first day back, so they may get a new book. Please place them in the basket at the end of our counter when you return them.

*Make sure your child has extra clothes in their cubby for all those "Oops" moments. Remember learning can be messy.

Upcoming Events

Panera Bread Fundraiser

February 23, 2024

From 4:00 - 8:00 pm

Join us for a night out and LLL will receive a portion of the proceeds.

Themes

Beginning in February we will be discussing many of our favorite books. Please take some time this weekend to help your child choose a favorite book of their own. Read it together and then have your child bring it in to share with all their friends. We will also be entering into our new study of Nursery Rhymes and Fairy Tales. Nursery rhymes teach children the mechanics of language by playing with sounds that are a part of words and the alphabet. They help develop a child's imagination with storytelling and play-acting, as well as, teach numbers/letters using a bouncing rhythm.

Rhymes are the beginning building blocks to developing strong memory skills for a lifetime.

Learning through all that we do in 3K-2
