

**Infant Room  
Lakeland's Little Learners  
February 2026**

**January Highlights:**

The Infant room rang in the new year by spending the month shaking our rattles and playing with our musical toys. *Baby Shark* and *Head, Shoulders, Knees and Toes* were a couple of songs that we had fun dancing to throughout the month. Crawling, pulling up, walking behind a walker, walking without assistance, reaching for toys and rolling over were just a few of the milestones we had the joy of witnessing this month! All of the children get so excited to play Peek-A-Boo during the day.

**February Theme:**

In February, we will be decorating the room with hearts and Valentine colors like red, pink, white and purple. Our infants will get to color paper and envelopes to "mail" for Valentine's Day. Reading books like *You're My Little Cuddle Bug*, *Peekaboo! I Love You*, and *Where is Baby's Valentine?* will be a great way to get everyone excited for Valentine's Day. We can't wait to see how many new milestones the infants will hit this month!

**Family Connection:**

While reading with your child this month, point out the different colors and shapes you see in books. Touch your child's finger to the color or shape as you say the name aloud. Help your child use crayons or paints to make valentine pictures with different colors and shapes. Bring your picture with your child for us to display and talk about throughout our day.

**Reminders:**

Please be sure to send appropriate outdoor clothing for the weather. We are able to go outside if the "feels like" temperature is above 20 degrees. Also, please be sure to label all belongings and food each day with your child's first and last name.

**Important Dates:**

Elegant Farmer Fundraiser order pick-up – February 11<sup>th</sup>

If you have any questions or concerns, please let me know.

Thank you,

Ms. Louise and Ms. Krista
