

# HELLO MARCH!!!!

Shamrocks, leprechauns, and with a little luck, Spring; this is what March will bring. We will talk about the color green and read books about many interesting things!

## Family Connection:

National Read Across America 2020 is Monday, March 2<sup>nd</sup>. This day will kick off a week of reading across the nation to share the love of books. Help us share the enjoyment of books with your toddler by reading a special story as you tuck them into bed.

## February News:

The toddlers learned about hearts, valentines, family love, and showing kindness to others. We played together learning, that when we roll a ball to others and they roll it back we create a fun activity. Sharing our toys with others is an act of kindness. The week of Valentine's Day we shared special treats with our friends and enjoyed books on family love.

## Playtime:

Please provide some type of shoe for your toddler to wear while they play in the Big Room or go outdoors. We are hoping for Spring and more playground time!

## Original Works Fundraiser:

A piece of your child's artwork has been submitted to Original Works for a fundraiser. Packets and magnets will be at the school on March 13<sup>th</sup> for the parents to view for ordering of various items displaying their child's art.
