

Lakeland's Little Learners
Tibbets Wrap-Around
March Newsletter
2026

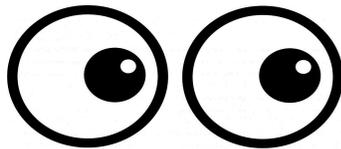

The weather is changing and all so unpredictable. Please make sure students are prepared to go outside no matter what the weather may bring. The groundhog said we will have a late spring. However, in Wisconsin you never know, layers are best for this time of year, pack a sweatshirt!

We have no school March 2 and Spring Break is March 27th - April 6, if you need childcare, please make sure to contact the center, 723-8391. Schedules for March 27th and April 3rd weeks are due by March 13th. Please make sure to let us know if you have any questions or concerns.

Last month artists made art to submit to Original Works. This is a fundraiser that brings out the creativity in all children. The young artists' artwork magnet packets will be sent home March 17th and orders are due by March 26th. Lots of play is taking place this month: basketball, softball, building with magnets, and creative animal play. February was fun and productive!

We will be talking about all things clover, look for some in your yard. We will also continue our imaginary play this month,

alongside enjoying the warm weather when it is available. It is a great time of year to do some bird watching, take a family walk or drive and see if you discover any. Look for the Robins, the Red Winged Blackbirds, and the Cranes!

As always, **please** make sure to **call or text** if your child will **not be attending** Wrap-Around for any reason; either in the morning or in the afternoon. This is **very important** for child safety.

Have a safe and happy March, looking forward to the weather warming up!!

Mrs. Sawyer and Ms. Shirley
