Two's Happenings:

We had lots of fun in October! We discovered what is inside a pumpkin...*seeds*!!! We also had a Halloween party and dressed in our favorite costumes, played games, and enjoyed special treats! Thank you to everyone for your donations to our party.

In November, our first theme will be Farms. We will find out what kinds of animals live on farms and learn about the types of foods that are grown there. At the end of the month, we will spend time talking about Thanksgiving and turkeys.

Parent-Teacher Conferences:

If you would like to discuss your child's progress so far this year, please reach out to us to set up a time to meet. Conferences this year will be held during the week of November 9th. We can meet, virtually, by phone or in-person, whatever works best for you.

Family Connection:

During the month of November, we will be talking about farms and the different foods that are grown on them. While eating meals with your child, have a conversation about where the foods you are eating come from. Talk about why it is important to have others help us out and grow/raise some of our foods. We will be discussing these ideas at school as well.

Reminders:

Label all belongings. With the colder weather here, we have more clothing coming into our classroom and it is so much easier to identify if it has the child's first and last name in it.

Important Dates:

November 5 - LLL Holiday Sale orders due/ November 20th: Pick-up orders.
November 19 - Thanksgiving Feast (all classes)
November 26 - LLL Closed

If you have any questions, please don't hesitate to reach out!

Thank you
Ms. Cori & Ms. Mariah
