

Dear Families,

I would like to welcome you and your child to his/her new room. My name is Miss Kathy Jo and I will be your child's teacher along with Miss Emily. We are very busy getting the room ready for your first day of school. We are cleaning all the toys, filling up the paint containers and unpacking all the markers, crayons, scissors and glue.

When you arrive, you will find an apple on the outside of the classroom door. Please find the apple with your name on it and place it in the basket on the floor. This will let us know you are here and ready for school. Inside the room, you will find a board with a question on it. Together with your parents, read the question, find your name and place it under the answer you choose. Lastly, find your new cubby and place your things in the basket and get ready to start your day in 3K-2.

We are so excited to meet you and look forward to introducing you to all the wonderful centers in our room. We will see you soon! Get ready for a year of fun, learning, explorations, new discoveries, and friendships.

Sincerely,

Miss Kathy Jo & Miss Emily
