Tibbets Wrap-Around

Newsletter

November 2022

Autumn is here! As the weather cools down, please make sure your child is prepared to go outside. I always recommend wearing layers this time of year. Please reiterate the importance of bringing all belongings including, coats, hats, gloves, water bottles, etc. from their classroom to Wrap-Around. Students are not allowed to go back to their classrooms to collect these belongings.

Remember, if we don't have school, Wrap-Around will be closed. Thanksgiving break will be the 23rd - 25th of November. Please contact the main center before November 11th, if you need care on the 23th or 25th. If you are looking for entertainment, the Matheson Memorial Library offers many programs like The Paws to Read, Lego Challenge, and Pokemon Club; check out the Calendar of events on their website.

Other quick reminders: Nov 6th Daylight Savings Time ends (fall back)

Nov 11th is Veterans Day

Nov 24th Thanksgiving Day

Nov 28th Scholastic Book Fair starts at the main center; all welcome!

Wrap-Around students are doing well and fun is being had. Last month, we made some awesome Halloween decorations and had fun working with leaves.

This month, students will begin with black paper and make night time drawings! Other November plans include: Turkey Talk, Wood Slice Creations, Thankfulness, and a variety of outdoor games and activities, like jumping rope! If you would like to read more about what we will be doing, please check out the lesson plans hanging by the mailboxes, or ask your student!

I hope you all have a wonderful Thanksgiving! Talk to your child about what it means to be thankful and think about all the things you currently have to be thankful for. This would be an opportunity to discuss with your child the hardships people are facing due to natural disasters, the pandemic, and events that have happened this year .

Let me know if you have any questions or concerns. We do offer conferences during November. If you would like a conference, let me know and we will arrange a time.
